Blaby SEMH Free School Statement of Provision

Introductory statement

At Foxfields Academy there will be no limit to the possibilities for our pupils. We want to build a first class educational provision that provides highly tailored learning to ensure that our pupils are best prepared for life after school.

The school curriculum will be in line with the national curriculum however we will tailor it to meet all individual pupils needs. There will also be an emphasis on therapies and outdoor learning to best prepare our pupils for their next step.

Admissions to the School

Foxfields Academy is a special school which will provide 50 places for children in the age range 4 - 16 with Social, Emotional and Mental Health needs named on their Education Health and Care Plan.

For a child to be admitted, the school must be named by a local authority in the child's education health and care plan.

Parents wishing their children to benefit from our provision should ask their local authority to name our school in their child EHCP.

A local authority can also refer a child to the school to be assessed for an EHCP plan or, following a change in the child's circumstances, for his or her needs to be assessed or reassessed. Any assessment should be completed within the 20 weeks set out in the SEND Code of practice.

Children being assessed for an EHCP will be dual registered and return, full time, to their mainstream school if the LA decides not to issue an EHCP.

For further information on our school, and the process for obtaining a place here, please email enquiries@foxfields-cit.co.uk or call 03300 585520.
