

## **Visiting Speaker Policy**

Visitors are welcome to Foxfields Academy, they contribute to the life and work of the school in many different ways. The learning opportunities and experience they bring are encouraged and appreciated. It is the school's responsibility, however, to ensure that the security and welfare of the pupils are not compromised at any time. The school is equally responsible to the whole school community for ensuring that visitors comply with the guidelines.

The purpose of this policy is to set out the school's legal obligations when using visiting speakers and set out the standards of behaviour expected from visiting speakers. This policy was therefore drawn up having had regard to the Government's Prevent Duty guidance and the school's wider safeguarding obligations.

This policy should be read in conjunction with the school's Child Protection policy.

### **The Protocol for Visiting Speakers**

The "Prevent" statutory guidance (2015) requires schools to have clear protocols for ensuring that any visiting speakers whether invited by staff or pupils, are suitable and appropriately supervised. The member of staff seeking to book a visiting speaker (the organiser), must ascertain the information the visiting speaker wishes to communicate, to ensure it is appropriate to the age and maturity of the pupils to be in attendance, and does not undermine British Values or the ethos and values of the school. The organiser must seek approval from the headteacher prior to the booking of a visiting speaker.

The member of staff responsible for booking the speaker (the organiser) must ensure the Visiting Agreement Form is read fully, signed and dated. This must be completed and returned to the school before the presentation can take place. The form indicates a commitment to the following:

- The speaker must not spread intolerance in the community and thus aid in disrupting social and community cohesion;
- The speaker must not incite hatred, violence or call for breaking of the law;
- The speaker must not encourage or promote racist, homophobic, sexist, ageist or extremist views or promote any acts of terrorism;
- The speaker must seek to avoid insulting any faith or groups within a framework of positive debate and challenge;
