

KS2/3 AT FOXFIELDS ACADEMY

At Foxfields Academy, our curriculum is designed to inspire, challenge and support every pupil to achieve their full potential.

In KS2/KS3, we deliver the full National Curriculum, while enriching learning through experiences and opportunities that build confidence, character and a love of learning. Our curriculum is organised into steps rather than chronological age. Pupils are placed on the step that best matches their individual ability and starting points across the curriculum, ensuring that learning is appropriately challenging, accessible and responsive to their needs.

A BROAD AND BALANCED CURRICULUM

Our broad and balanced curriculum provides a rich and varied educational experience, promoting intellectual curiosity, critical thinking, creativity and enables pupils to make meaningful connections between different areas of learning.

CURRICULUM ENHANCEMENTS

We believe that learning goes beyond the classroom. Our enhancements provide our pupils with experiences that build resilience, confidence and real-world skills.

WEEKLY OUTDOOR LEARNING

Every pupil takes part in weekly outdoor lessons, developing practical skills, teamwork, resilience and a connection with nature.

BELONG: PROFESSIONAL DEVELOPMENT

Our dedicated personal development session supports pupils' wellbeing, mental health, relationships, identity and preparations for life beyond school.

ENRICHMENT AND EXPERIENCES

From trips and visitors to themed days and competitions, we offer a wide range of experiences that bring learning to life and inspire curiosity.
